

Hi there! I'm a resident of the Hill who loves animals and has looked after dogs and cats in my neighborhood. I am cheerful, responsible, and dedicated to looking after and walking my own dog, Lucy, and any other dog, cat, or other type of animal in the Dog Dot Cat community. You can also find me at Ginkgo Gardens on the weekends, my other summer job, until I return to college at the end of the summer. I will happily return to Dog Dot Cat when I can, during college breaks. I look forward to caring for your pets!
