

Hola!! My name is Roger, and I am from El Salvador but came to the USA when I was only ten years old. I recently got married to the love of my life and decided to move to the DC area here on Capitol Hill. I grew up most of my life in the Silver Spring, MD area. I have been working with animals since 2007, so I have a lot of experience around all kinds of animals. My family and I finally rescued our first dog back in 2016. His name is Patch. He is a Border Collie mix with lots of energy and he is very smart. Walking him was the highlight of my day, so I have a lot of love that I would like to share with all the animals around the Hill. I can't wait to make new friends and I look forward to all of our walks and visits!
